SAINT PETER'S PARISH

Father L.L.Sullivan

If one were to seek out a word to describe St. Peter's Parish, I would suggest "active", in fact very active. Parishioners know that the parish has become not only the focal point for our prayer life, but it holds a major portion of our education activities, sports and crafts activities too.

Some evenings there are so many things going on that space is at a premium: the folk-song groups are using the parlor, the A.A. groups have the clubrooms, an adult education project is going on in the church itself, and some other group is using the auditorium: the last group to show up for its meeting sometimes has to settle for the kitchen. Much work is being done by many people. If the facilities are wearing out in places, this is because of frequent use, not old age.

Hundreds of families are better because many good men and women give of their time and talent. "Blessed are those who go to meetings!" Their planning and decisions have made our lives richer and our faith better known.

In the midst of all the activities, we say thanks to God who gave us our faith and our beloved Catholic tradition: may we hand on the Good News to the children, and may they enjoy St. Peter's Parish as much as we do in this year 1969.

Wishing God's blessing upon all of you,

parish history

On April 7, 1961, Archbishop M.C. O'Neill declared the parish of St. Peter erected and the appointment of Rev. A.A. Vandendriessche, pastor.

This Decree of Erection came after many discussions with Rev. A.P. Ryan, pastor of Sacred Heart and Rev. C.D. Gibney, pastor of Canadian Martyrs, out of which came the decision to form the new parish.

In 1959, with the parishes of Sacred Heart and Canadian Martyrs growing so large so quickly, it was decided to have mass said in St. Peter's school at Argyle street and Lang Avenue for those Catholics living west of Albert street and north of the CNR tracks.

Fr. Ryan of Sacred Heart parish said the first mass in the school on Epiphany in January of 1959. Thereafter arrangements were made by Fr. Ryan to have Mgrs. Hughes, who had been retired from Estevan and re-assigned temporary chaplain to Sacred Heart Academy and living at Sacred Heart rectory at the time, say the masses in the school each Sunday.

Mass was originally said in one of the classrooms and then in the upstairs corridor of the school by Mgrs. Hughes for the years 1959, 1960 and the first part of 1961. During these years he visited the families in the parish and took over to a great extent many of the duties of a pastor to his parishioners.

Early in 1961 a meeting was called of the people living in this area. About 60 of the residents attended the meeting along with Fr. Ryan of Sacred Heart parish, Fr. Gibney of Canadian Martyrs, Mgrs. Hughes and Rt. Rev. P.S. Kinlin.

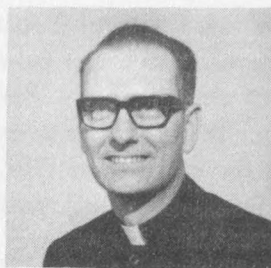

The topic under discussion was the formation of a new parish. Out of this meeting and subsequent meetings between Archbishop O'Neill, the two pastors of the two parishes involved and diocesan consultors, the parish of St. Peter was declared erected by virtue of Canon 1427 on April 7, 1961.

The parish boundaries were from a point where the CNR tracks cross Albert Street, northward along the west side of Albert Street to the northern boundary of the city, westward along the western boundary of the city to the CNR tracks and southeasterly along the tracks to Albert street.

Fr. Vandendriessche was appointed pastor of the new parish effective April 7,

1961, and directed to have his first mass on April 23, 1961.

Initially, with a parish consisting of 275 families, Fr. Vandendriessche had 19 masses on Sunday, April 23, 1961. The following Sunday three masses were said in the upstairs corridor of the school. This was continued until the addition to the school was completed and in August of 1961, church services were held in the chapel in the basement of the new addition.

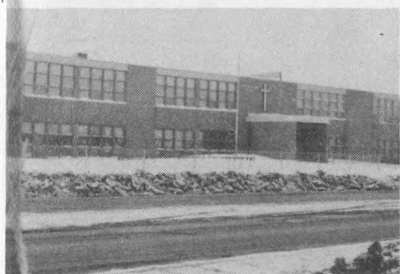

In September of 1962 with the continuing growth of the parish, four masses were felt to be necessary and in January of 1963 five masses were said to alleviate the crowded conditions until the move to the new church at which time, with the larger seating capacity, four masses each Sunday were found to be satisfactory.

Fr. Vandendriessche had lived in the rectory of St. Cecilia's parish for two months from his appointment as pastor and then moved over to the rectory of Sacred Heart parish, making his visits and performing his pastoral duties from these places of residence. This was not too satisfactory and in July of 1961 it was decided to build a rectory within the parish. This was located at 35 Yarrnton Crescent and was completed in November of 1961.

St. Peter's grew in size over the next year and in the fall of 1962 it was decided if the time had come to erect a suitable church. Plans for the church, with rectory and office attached, were drawn up and in November of 1963 a parish drive for funds was held and proved a great success. The turning of the sod ceremony was held on Sept 15, 1963 with Mgr. Gerein officiating. Construction of the new church

began on September 17, 1963 with the first mass being said May 24, 1964.

Because of the steady increase in the number of families, Rev. George Cels was appointed as assistant in December, 1964. During his stay he took care of the parish at Dysart, and later ministered to the parish of Bengough. Father Cels was transferred as assistant to Blessed Sacrament Parish in September, 1965. At this time, Rev. R. Chadwick was appointed assistant at St. Peter's and remained there until the parish was divided in September, 1967.

During this period the parish continued to grow rapidly until it was divided in September, 1967, at which time it was approximately 1,000 families. The new parish, consisting of 300 families west of Pasqua st, was formed, leaving 700 families in St. Peter's. Rev. E. McGrath was

appointed Pastor of this new Parish, which was named Holy Trinity, on September 17, 1967.

The heavy workload of the Pastor, the existing committees of the Church which were operating but not co-ordinated, plus the recommendations of Vatican II, suggested the establishment of the Parish Council. Initial groundwork for the Council was done in the fall of 1967 with the first meeting held January 14, 1968. There were seven committees, with chair-couples at the helm of each:

- Building and Grounds - Tom and Ethel Kuntz;
- Finance - Des and Lauretta Haughey;
- Hall - Ed and Terrie Amaolo;
- Liturgy - Jack & Marie Driscoll;
- Public Relations - Cliff & Diana Linnen;
- Spiritual and Religious Education - Harold & Eleanor Ferner;
- Youth and Adult Organization - Jack & Anne Dulong.

These committees selected as the Chair-man Couple Andy and Ethel Stroh; they also named Mrs. Jean Mattie as Secretary.

With the formation of the Council a great deal of the administrative detail of the Church was taken from the shoulders of the Pastor. In December of 1968 a new committee was formed, called the Census and Visitation Committee, chaired by Peter and Eileen Smith.

On September 1, 1968, Father Vandendriessche was transferred to St. Aloysius Parish at Milestone and Father Sullivan was appointed Pastor of St. Peter's.

At the end of March, 1969, the parish had approximately 800 families.
